I, the undersigned Pakist n refugee beg to submit the following few lines for your kind consideration and order there on ;-

I am a Pakistan refugee and I was allotted to this City with a Government loan amount of Rs.400/- to carry on a Tea Stall in this City and rehabilitate here. The Government have so far given me only a sum of Rs.300/- and a sum of Rs.100/- is given to me towards ration allowance. But no business place or shop is given to me for my rehabilitation and as such due to no business place I was unable to run any business and have spent all the amount given to me and I have nothing with me for the present I want to start a business in the sales of fancy articles and for this business I require a capital of not less than Rs.1500/- and also a central business place.

I sent a number of applications to the local authorities to give me a business place but no shop is geven to me till now. This is the main reason for utilising allthe amount of the loan towards my family expenses.

I request you therefore to kindly sanction me a further loan of Rs.1500/- so that I may run a fancy shop and also request the Government to giveme a business place for running the business. In case my application is not considered sympathetically

P.T.O.

I will be put to much difficulties here in a new place and I request you therefore request you to kindly grant me the loan of Rs.1500/- so that I may start a fancy goods shop at an early date, for such act of kindness I shall ever remain grateful toyou.

Thanking you,

Yours faithfully,

Sri.Varandmal was allotted to this District in G.O.No.Ms. 3961 dated 16-11-49 with a business loan of Rs 400/-for running a tea stall ~~Accordingly~~, a loan of Rs 400/-was paid to him for running the business opened for him.In the begining no stall was allotted to him as none was vacant.The refugee however was ~~xxxkkexbazarx~~ hawking sweet-meat in the bazar.Subsequently,stall No.24 in the daily vegetable market was allotted to him on 2-6-50.But he vacated it on 3-7-50,stating that he could not carry on his business in the stall,on account of the proximity of the fish market and meat market and is seeking a room elsewhere.

2.Now he has putin a petition stating that he has already spent the loan amount given to him towards hisfamily expenses as no business place was allotted to him.That he may be permitted to start a fresh business in the sale of fancy articles and that he may be granted a loan of Rs 1500/-afresh.

3.The plea put forth by the refugee for the grant of additional loan and for change of business is ~~untenable~~ .He failed to carry on his business in the stall allotte to him and is seeking room elsewhere.I do not recommend therefore chage of business and grant of additional loan to him.

Sir,

Sub:- Displaced persons from Pakistan - Rehabilitation in Bellary Town- Request for the grant of additional loan amount of Rs.1500/-.
Ref:- My application dated 4-7-50.

I have submitted an application dated 4-7-50 to you but to my ill luck I have not received any favour from you till now.

In my application I have stated that I want a further loan of Rs.1500/- to start a fancy business here and rehabilitate.

I am allotted a stall in Adoni Bus Stand and carrying on and I am carrying on a Tea Stall but the business is very dull here due to the fact that there are a number of other sweet-meat stalls in the locality. There are no good prospects.

I request you to kindly grant me an additional loan of Rs.1500/- so that I may begin a fancy store shop in this town and rehabilitate here.

As I am a poor refugee and deserving help from the Government I hope the matter receives the kind and sympathetic consideration and trust to hear from you favourably soon.

Thanking you,

Yours faithfully,
